

Welcome to the Katy Rice Belt Basketball Officials Website. The Katy Rice Belt Chapter is made up of 140+ officials and is a member of the Texas Association of Sports Officials (TASO). The organization is dedicated to providing highly professional and well-trained officials for the schools we service from JH through Varsity programs.

Officiating offers an opportunity to be paid while staying in shape. Each night a Katy Rice Belt Official will officiate two to four games. Officials are paid mileage and game fees. The game fees range from \$40 to \$50 for JH games and \$55 for sub varsity and \$75 for varsity games. An official will make from \$80 to \$200 per night.

Officiating can provide great reward and a chance to stay in contact with the youth of today. As an official, you must make instant decisions, resolve conflicts, and deal with stressful situations. You are in a position to be a positive role model to the student athletes and the fans watching the game.

Sports officials must be able to control any situation and have great communication skills to calm highly competitive situations. You must be able to interact with coaches and players. You must be proficient in your knowledge of the rules, along with the mechanics of the game.

Katy Rice Belt offers you the opportunity to accomplish all of this.
